## State of Kansas

### Office of the Governor

#### Message to the Legislature of the State of Kansas on House Substitute for Senate Bill 249

I want to thank every member of the Kansas Legislature for your hard work during the 2016 session.

I have taken actions to balance the budget and reduce the growth of state spending. If the Kansas Supreme Court orders an additional \$40 million, or more, in funding for schools, it could result in additional cuts to Medicaid and higher education beyond those enumerated here.

These actions protect public safety and provide support to state hospitals, specifically:

- Increasing SGF to Osawatimie State Hospital and Larned State Hospital by \$11.4 million in FY 2016.
- Increasing SGF to Osawatimie State Hospital and Larned State Hospital by \$5.6 million in FY 2017, in-

(continued)

cluding direct care pay increases to Registered Nurses at OSH and Mental Health Technicians at OSH and LSH in order to provide aid in recruitment and retention of qualified nursing and direct care staff.

- Increasing DCF's budget by \$1.1 million to fund pay increases to Social Workers to improve recruitment and retention in these hard to fill positions.
- Realizing \$6.5 million in reduced expenditures from the State General Fund in order to pay for the pay increases that will be realized through implementation of Alvarez and Marsal efficiency recommendations.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 249 with my signature approving the bill, except for the items enumerated below.

#### Department for Aging and Disability Services Mental Health Screenings

Section 20(b) is vetoed in its entirety.

In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued based on the potential loss of funding from the federal government due to federal Mental Health parity regulations. The proviso at issue here would return to the former policy, at a cost of more than \$1.8 million. While that cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I would be pleased to revisit this issue if the state receives new and different assurances from the federal government on the matter.

#### KPERS

##### Transfer of Tobacco Litigation Settlement Revenue

Section 50(c) is vetoed in its entirety.

House Substitute for SB 249 states that if KPERS employer contributions for any state agency is lapsed or transferred in FY 2016, the amount will be certified and repaid with interest of 8.0 percent per annum to the KPERS retirement fund from the State General Fund. The five repayment provisions are prescribed as follows:

- a. The amount of which the actual tax receipt revenues to the State General Fund exceeds the April, 2017, joint estimate of revenue shall repay the KPERS amount lapsed or transferred.
- b. The amount of which the actual tax receipt revenues to the State General Fund exceeds the April, 2018, joint estimate of revenue shall repay the KPERS amount lapsed or transferred.
- c. The amount received from master tobacco settlement litigation revenue in excess of expenditures or transfers that have been made from the Key Endowment for Youth Fund as provided by law in FY 2017 shall be used to repay the KPERS amount lapsed or transferred.
- d. The amount received from master tobacco settlement litigation revenue in excess of expenditures or transfers that have been made from the Key Endowment for Youth Fund as provided by law in FY 2018 shall

be used to repay the KPERS amount lapsed or transferred; and

- e. Any amounts remaining to be repaid from the amount lapsed or transferred in FY 2016 will be repaid from the State General Fund by June 30, 2018.

The excess master tobacco settlement litigation revenue is estimated to be \$16.0 million in FY 2017. In order to increase the State General Fund ending balance by \$16.0 million and guard against further reductions to Medicaid and Higher Education, the proviso prescribing excess master tobacco settlement litigation revenue be used to repay the KPERS amount lapsed or transferred in FY 2016 is vetoed. The remaining four provisions relating to the repayment of KPERS employer contributions lapsed or transferred in FY 2016 will remain.

Dated May 18, 2016.

(A) Birth certificates;

(B) any part of a death certificate other than the medical section describing the cause of death;

(C) any part of a stillbirth certificate, other than the medical section describing the cause of death;

(D) marriage certificates; and

(E) divorce certificates.

(2) The changes specified in this subsection shall be made as follows:

(A) Any death or stillbirth certificate may be amended by drawing a single line through the incorrect information in the appropriate space or by inserting the correct information in the appropriate space, if left blank on the original certificate. For each amendment, the date of the amendment and the word "amended" shall be written or typed on the certificate. The process of amendment specified in this paragraph shall not be used more than one time for the same item.

(B) A new certificate shall be created if any item to be corrected is not left blank on the original certificate or if a death or stillbirth certificate item has already been amended. This process of amendment shall not be used more than one time for the same item unless accompanied by a court order, except when amending a death or stillbirth certificate.

(C) If the registrant is a minor, the birth certificate may be amended at the request of a parent by submission of an affidavit and supporting evidence to substantiate each item to be amended, unless the item to be amended is to add the name of a parent, to correct the name of either parent or of the registrant, or to change the registrant's last name to that of either parent. Any of these amendments may be made pursuant to K.S.A. 23-2223, and amendments thereto.

(D) The process of amendment specified in paragraph (a)(2) shall be used when affidavits and supporting evidence have been furnished to and accepted by the secretary or the secretary's designee. The date of the amendment and the word "amended" shall be placed on the original certificate or the newly created certificate.

(3) An amendment fee, as specified in K.A.R. 28-17-6, shall be required, unless changes are made within the

first 90 days after receipt of a death certificate or a stillbirth certificate in the office of vital statistics.

(b) Amendments after 90 days. After 90 days of receipt of the vital record in the office of vital statistics, amendments may be made as follows:

(1) Birth certificates.

(A) Any birth certificate may be amended upon the registrant's submission, or parent's submission if the registrant is a minor, of at least two documents that substantiate each item to be amended and that are executed and dated at least five years before the request for the amendment or before the tenth birthday anniversary of the registrant, except that the following items shall be corrected as specified:

(i) The item recording the registrant's sex may be amended if the amendment is substantiated with the registrant's affidavit, or a parent's affidavit if the registrant is under the age of 18, that the sex was incorrectly recorded and with medical records substantiating the registrant's sex at the time of birth.

(ii) If the registrant is a minor, any request by a parent to change an item or items by adding the name of a parent, correcting the name of either parent or of the registrant, or changing the registrant's last name to that of either parent shall be made pursuant to K.S.A. 23-2223, and amendments thereto.

(iii) Any registrant who is of legal age may amend the order of the registrant's first and middle names if the amendment is substantiated with one of the documents specified in paragraph (b)(1)(A).

(iv) Any registrant who is of legal age may place the registrant's first name or middle name, or both, on the record only if there is no first name and no middle name on the original certificate and if the amendment is substantiated with one of the documents specified in paragraph (b)(1)(A).

(v) Any registrant who is of legal age may correct the spelling of the registrant's first name, middle name, or last name if the amendment is substantiated with one document established before the tenth birthday anniversary of the registrant. Changing the first name, middle name, or last name of the registrant shall not be considered to be correcting the spelling of the registrant's first name, middle name, or last name.

(vi) A registrant who is of legal age may correct the parents' names, if one of the required documents specified in paragraph (b)(1)(A) is the marriage license or birth certificate of the parent or parents.

(vii) The registrant's birth date on the certificate may be changed if both required documents were executed and dated before the tenth birthday anniversary and if the change is consistent with the recorded filing date.

(B) Any item that has been previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the secretary or the secretary's designee.

(D) The original certificate shall remain on file unchanged and shall be placed in a sealed file to be opened only by a court order. The new certificate shall be marked "amended" and shall indicate the date of the amendment.

*(continued)*

(E) Each request for an amendment to a birth certificate that does not require a court order shall be submitted by the parent or legal guardian of a registrant not of legal age, or by the registrant if of legal age. The person submitting the request shall execute a notarized affidavit stating the true facts to be recorded.

(2) Death certificates: personal data.

(A) Personal data may be amended without a court order if the request is made within the first 12 months after filing the original certificate.

(B) Requests for amendments to personal data may be made by the funeral director or person who submitted the original certificate.

(C) The original certificate shall remain on file unchanged and shall be placed in a sealed file unless required to be opened only by a court order. The new certificate shall be prepared by the funeral director or person who submitted the original certificate or by the state registrar. The medical section shall again be completed, and the required signatures shall be secured whenever possible. The signatures may be typed if the required signatures are unattainable and a written statement of the reason the signatures are unattainable is attached to the certificate. The certificate shall not be accepted if the stated reason for the typed signature is inadequate, as determined by the state registrar. Upon acceptance by the state registrar, the new certificate shall be marked "amended" and shall indicate the date of the amendment.

(3) Stillbirth certificates: personal data.

(A) Personal data may be amended upon the request of a parent and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the secretary or the secretary's designee.

(D) The original certificate shall remain on file unchanged and shall be placed in a sealed file to be opened by a court order. The new certificate shall be marked "amended" and shall indicate the date of the amendment.

(4) Marriage certificates: personal data.

(A) Personal data may be amended upon the request of either spouse and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the secretary or the secretary's designee.

(D) The original certificate shall remain on file unchanged and shall be placed in a sealed file to be opened by a court

order. The new certificate shall be marked "amended" and shall indicate the date of the amendment.

(5) Divorce certificates: personal data.

(A) Personal data may be amended upon the request of either spouse and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the secretary or the secretary's designee.

(D) The original certificate shall remain on file unchanged and shall be placed in a sealed file to be opened by a court order. The new certificate shall be marked "amended" and shall indicate the date of the amendment.

(c) Amendments with no time limit.

(1) Death and stillbirth certificates: medical section data.

(A) Requests for amendments to the medical section data may be made only by the physician who signed the medical section on the original certificate or by the coroner in the jurisdiction the death or stillbirth occurred.

(B) Medical section data may be amended in either of the following ways:

(i) The original certificate shall remain on file unchanged, and the written statement or affidavit of the certifying physician or coroner shall be appended to the back of the original certificate. The original certificate shall be marked "amended" and shall indicate the date of the amendment.

(ii) A certifying physician or coroner may request the establishment of a new death certificate or stillbirth certificate. The funeral director or person who submitted the original certificate or the state registrar shall enter the personal data and forward the certificate to the certifying physician or coroner to sign the medical section. When all items have been completed, the new certificate shall be submitted to the office of vital statistics, and upon acceptance of the certificate, the certificate shall be marked "amended" and shall indicate the date of the amendment. The original death or stillbirth certificate shall be placed in a sealed file to be opened by a court order.
